**Godīgas spēles principa sportā izpratne studentu
- sporta speciālistu skatījumā**
***The principle of fair play in sports understanding
student-sports specialist perspective***

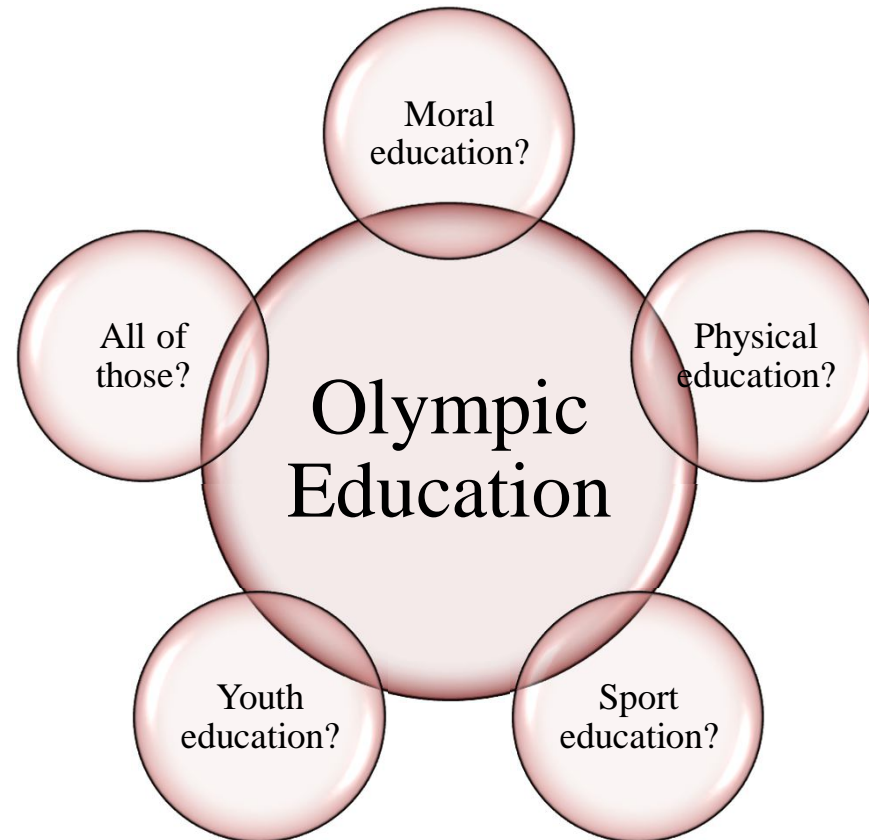

Dr.paed. Antra GULBE

20th European Fair Play Congress
October 9-11, 2014., Riga, Latvia

Latvian Academy of Sport Education

Olympic education is a set of educating events, introducing Olympic ideas and basic values, enabling people to develop themselves physically and mentally

20th European Fair Play Congress

October 9-11, 2014., Riga, Latvia

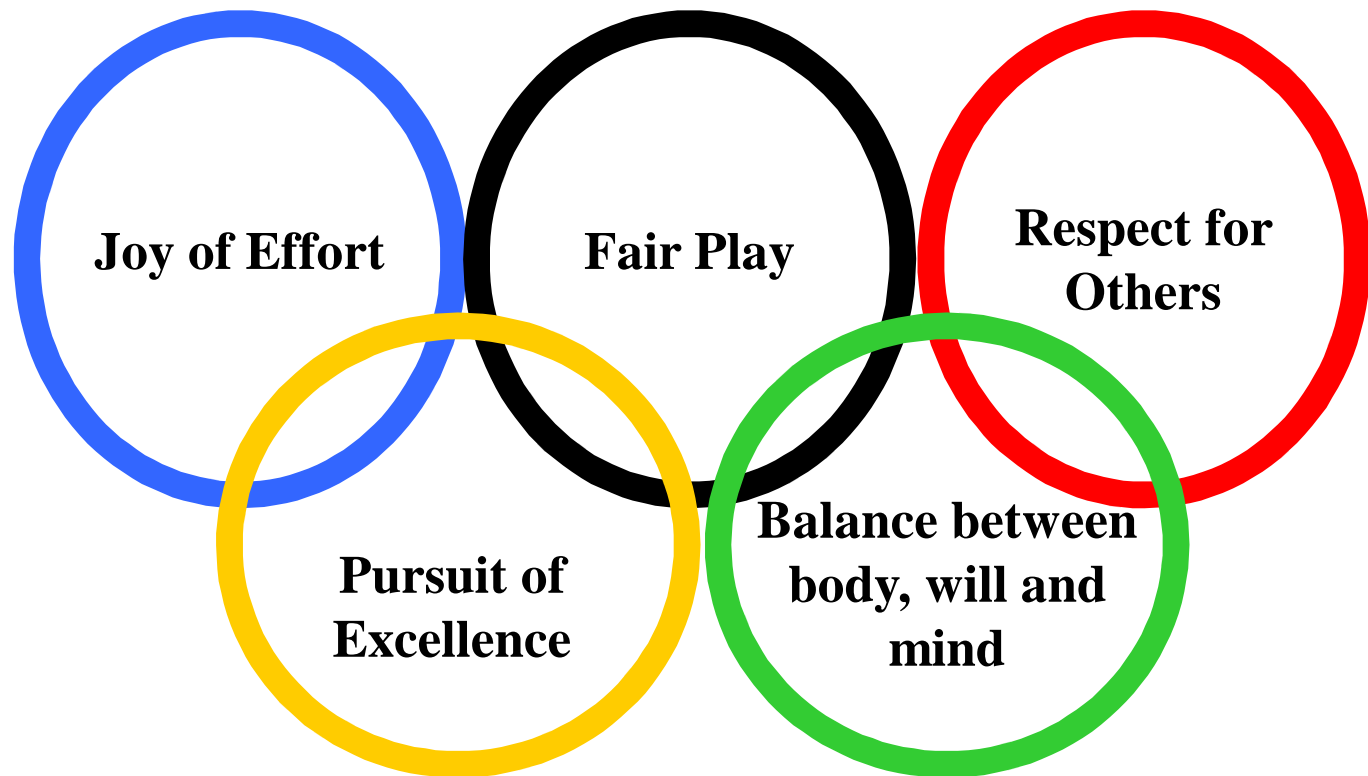

Olympic education has the development of the skills:

- Use sports and other conditions for the formation of healthy lifestyle;
- Form sports trainings without the possibilities of health disorders;
- Achieve high results in sports;
- Continue many-sided development;
- Compete, using the principle of Fair Play;
- Be aware of esthetic side of sport
- Use correct communication with other sportsmen, coaches, judges, spectators, reporters and others sport specialists;
- Maintain high ecological culture;
- Understand and disseminate the ideas of Olympism.

Gulbe A. INNOVATIVE MODEL OF ACQUIRING OLYMPIC EDUCATION FOR THE IMPROVEMENT OF SPORT PEDAGOGUE PROFESSIONAL COMPETENCE. - Doctoral Dissertation, 2010

Educational values of Olympism

20th European Fair Play Congress
