Cyprus National Fair Play Report
for 2020

The Cyprus National Olympic Committee

Cyprus

The Fair Play Committee of the Cyprus Olympic Committee (COC) and the Cyprus Sports Organization (CSO) jointly appointed former international Basketball Player, Mrs Kallia Papadopoulou as the Fair Play Ambassador for 2020.

For her selection, a series of criteria were taken into account, concerning her significant contribution and successes in basketball, as well as the ethos she showed during her athletic career inside and outside the stadiums.

Kalia Papadopoulou has been an excellent basketball player with significant international successes both at club and national level. She has played for a decade at AEL Limassol, two at KERAVNOS Strovolou, while she was an international player in the women's national team for almost two decades. She was also the coach of AEL and the National Women's Basketball.

The COVID-19 pandemic, has restricted her activities as ambassador during 2020 and she was only able to organise virtual communications, with children, schools and athletes, clubs and National Sport Federations

Mrs Papadopoulou was also reappointed as a Fair Play ambassador for 2021.
