

EFPM NEWSLETTER 2 – 2019

The European Fair Play Movement (EFPM) is a European non-governmental organisation, established in 1994 in the FIFA House in Zurich. National Fair Play organisations from 40 European Countries have been a part of the EFPM since 1994. The main goal of the EFPM is to promote Fair Play and Tolerance in sports and everyday life at the European level. The EFPM seeks to achieve this goal by supporting its members, by helping to promote Fair Play campaigns where sports organisations take the initiative, by co-operating with the authorities to foster Fair Play themes and by facilitating regular contacts between the various European sports organisations.

The goal of EFPM Flash News is to keep people informed on EFPM's activities and to establish closer contact not only with all the EFPM members but also with all European governmental and non-governmental sport institutions and organisations aiming to support and to contribute to the promotion of Ethics in Sport and encouragement of the Fair Play values and principles in all sporting activities as well as in daily life.

All EFPM members, the above mentioned organisations and institutions, and associations with the same principles, are invited to communicate information relating to EFPM's goals (conferences, congresses, special events or initiatives, Fair Play prizes, books, etc....).
