

Vienna, March 29, 2021

Dear EFPM Members

During the 66th session of the Executive Committee of the European Fair Play Movement, held via tele-conference on 19/02/2021, the Executive Committee Members discussed the case of the annual EFPM General Assembly and the associated elections in the light of the current pandemic conditions as well as the relevant provisions of the EFPM Statutes, and decided to postpone the events to a date after the Olympic Games in Tokyo 2021 (September or October 2021).

The events will take place in Vienna, either with the physical presence of our members or by teleconference, depending on the pandemic conditions at the time. The Organisers will be prepared to have the elections performed either by secret ballot or by tele-voting.

According to the EFPM Statutes, this procedure will be put for approval at the beginning of the said General Assembly as the Agenda's first item.

The date of the Gen. Assembly and the various procedures will be fixed in June 2021 at the latest, during the relevant Executive Committee meeting.

In view of the above, all applications for candidature for the post of the President and the post of an Executive Committee Officer shall be submitted to the EFPM General Secretary not later than thirty (30) days prior to the commencement of the General Assembly in accordance with the provisions of the EFPM Statutes.

With kind regards

Christian Hinterberger
EFPM President
