European Fair Play Movement

Mr. President. Dear Friend

On behalf of the Polish Olympic Committee and its Fair Play Club chaired by Mrs Hanna Wawrowska, I would like to extend, Dear Mr President, my warmest congratulations on the occasion of the 25th Anniversary of the European Fair Play Movement.

The contribution of the Fair Play Idea to the European and worldwide sports enriches our activities in favour of promoting Olympic and sports values. As it was said, by a very famous Polish sports journalist and diplomat, honorary member of the POC Fair Play Club, Mr. Tadeusz Olszański: "The Fair Play is essential for sport and life as well. Fair Play, consider as a sport value, is strongly connected with every day life. People who remain faithful to Fair Play may see its pure virtue".

We are very proud that among many activists working for the promotion of the Fair Play idea, Poland has been represented by respected authorities: Professors Zofia and Ryszard Żukowski, Professor Halina Zdebska – Biziewska and Professor Kajetan Hądzielek.

For the whole sports community, the 25th Anniversary of the European Fair Play Committee is an important moment of sharing the same human values that are universal and immutable. Please accept, Dear Mr. President, our best and sincerest wishes of much successes and fruitful development of the European Fair Play Committee in favour of Fair Play idea which remains a crucial value for the Olympic Movement.

Best regards

Andrzej Kraśnicki
